Eligibility Requirements

As part of the application process and before an application will be considered, all applications must be filled completely, applicants must provide a contact telephone number & email address in order to conduct our pre-treatment and medical assessment.

Eligibility to our program includes individuals:
18 years of age or more
Indigenous status
Individuals with physical disability
Incarceration/Legal issues
Opiate Antagonist Therapies (OAT)

Admission Procedures

Admission into treatment is based on an application, which must include the following documents:

- Application for Admission
- Review of application to ensure complete, if not contact referral for missing information
- Provide copies of Status/Beneficiary and/or a letter from their respective community stating Proof of Status, Health Cards and/or temporary coverage.
- Medical Examination
- Authorization for Release of Personal Information
- Informed Consent and Participation Agreement
- Pre-Treatment Assessment (Mandatory telephone interview
- Medical Assessment by CHUM (Mandatory)
- Final decision is then emailed

Applications coming from the legal or penal system, require the following additional information:

- Official legal summary of past/present sentences and charges pending.
- Confirmation to go on supervised outings, as per his/her/their legal conditions (medical needs)
- Available psycho-social information, including family and social background, current behavior, etc.

The referral worker must provide their contact information (Phone extension and email), send a completed Informed Consent and Participation Agreement with the other admission documents to the Intake Worker.

For the final intake decision, a file will be considered complete once all the admission procedures have been met. Due to the high demand for treatment programs and the long process of assessment, intake will be done a month or two ahead of the intake cycle.
